

Montgomery County Swim League

ads@mcsl.org

January 2018

Dear Prospective Advertiser:

I am writing to offer you the opportunity to market your business to Montgomery County residents by supporting the 2018 Montgomery County Swim League (MCSL) season. MCSL is a nonprofit organization of 90 swim teams at public and community pools across the county. More than 14,000 children ages 4 to 18 and their families and friends participate in this community-based swim league that has brought summer fun and exercise to Montgomery County kids for more than half a century. By supporting our upcoming season, you will reach thousands of county residents while simultaneously supporting this valuable volunteer program.

MCSL offers three levels of support:

1. Bronze Sponsor – Handbook Advertiser and Presenter

As a Bronze Sponsor, you may place a half page or full page ad on an interior page of our handbook. The MCSL handbook contains everything families need to know about MCSL – league rules, meet schedules, directory and contact information, and other reference material. The handbook is distributed to families, coaches, officials, and pool representatives. Copies of past handbooks are available for viewing in the MCSL archives at the Montgomery County Historical Society.

In addition to helping your business reach thousands of county residents, your ad will help MCSL defray handbook publication costs. Rates for available handbook advertisements are as follows:

Interior Full-Page Ad: \$300

Interior Half-Page Ad: \$200

The published handbook will be distributed to our membership at our monthly MCSL meeting on May 10, 2018. As a Bronze Sponsor, you will receive two complementary copies of the handbook.

In addition to the handbook ad, Bronze Sponsors also have the opportunity to set up a display table and give a brief presentation (approximately two minutes) to our membership at one of our 2018 Team Rep meetings on February 8, March 8, April 12, May 10 or June 14. The meetings start at 8:00 p.m., and are held at the Montgomery County Executive Office Building cafeteria at 101 Monroe Street in Rockville. Your presentation must be scheduled in advance and presentation slots fill quickly, so if you would like to take advantage of this opportunity, please indicate your preference on the enclosed advertiser form and return it promptly so we can put you on the agenda. Also, you can express your preference for a meeting presentation to me via email (ads@mcsl.org).

2. Silver Sponsor – Handbook Advertiser and Presenter + Web Site Advertiser

As a Silver Sponsor you receive all of the benefits of Bronze Sponsorship, including an interior full-page handbook ad, plus a second opportunity to market your business and support MCSL as a MCSL.org web sponsor. With this option you may place a website banner ad (116 pixels high by 606 pixels wide) and a link to your business web site on the MCSL.org web site. Your banner ad will appear on the MCSL.org home page and on several other frequently visited pages on the MCSL site. In previous years, the MCSL site enjoyed over 200,000 unique visits in the months of June and July, generating nearly 1.9 million hits in these two months alone! Be sure your business takes advantage of this incredible visibility. Silver Sponsorship also entitles you to a graphic (up to 550 pixels high by 750 pixels wide) and a link to your business web site from our advertisers' [page](#). Banner ads are presented one at a time in a random order at the top of all MCSL.org web pages, and the graphics on the advertisers' page are permanently displayed throughout the advertising year.

The rate for Silver Sponsorship, including the full-page handbook ad, banner ad, advertisers' page graphic and link and invitational meet program logo is \$500.

3. Gold Sponsor – Handbook Advertiser and Presenter, Web Site Advertiser + Invitational Meet Advertiser

As a Gold Sponsor you receive all of the benefits of Silver Sponsorship (interior full-page handbook ad, website banner ad, and advertisers' page graphic and link and footer logo in our invitational meet programs), plus you can further advertise your business at our league-wide invitational meets: the Coaches Invitational Long Course (July 10), All-Star Relays (July 28) and Individual All-Stars (July 29). These meets feature the best swimmers in the area, joined by their families, friends and teammates. As a Gold Sponsor, you may place a ¼ page ad in each meet program, display your company banner, have your business acknowledged by our meet announcer, and distribute brochures or sell merchandise at the meets.

The rate for Gold Sponsorship is \$600.

Please note that whatever option you choose, all of us at MCSL greatly appreciate your support of our program. Please let me know if I can answer any of your questions. We hope to hear from you soon.

Sincerely,

Kristine Frohman

Print Ad Design Considerations

- Please design your ad considering the ad size. An oblong image for a half page ad or a square image for a full-page ad may cause us to distort the image or size the image smaller than the allotted space.
- All ads appear in black and white with grayscale rendering of photographs and images. If photographs or colored artwork are submitted, they may lose resolution and detail when converted to black and white. Also note that fine line art does not always scale well.
- We use STOCK fonts. Should your image require unusual fonts, please send a copy of the font file with your image – this is especially important for Word files. Otherwise we will use a scanned image, or an approximation of the font from our supply.
- We can scan images, pictures and business cards if needed. But understand that color originals do not always produce good black and white printable images.
- If you advertised with us last year (or in a recent year), please indicate if you would like us to use your copy from that year.

Ad Submissions

Handbook ads should be submitted in electronic format — PDF format is highly preferred. TIF or high quality JPG images may also be used.
